SCHOOL ACCOUNTABILITY REPORT CARD**

PURPOSE: To define the District's compliance with Education Code section 35256.

The Board recognizes its responsibility to inform parents/guardians and the community about the conditions, needs, and progress at each District school and to provide data by which parents/guardians can make meaningful comparisons between schools. The Board shall annually issue a school accountability report card (SARC) for each elementary and secondary school in the District. (Education Code 35256) The Board desires that this assessment be viewed as an opportunity to communicate with the public, review achievements, identify areas for improvement, enlist local support, enhance internal operations, build consensus, and establish a vision for the future.

The Superintendent or designee shall maintain a process for developing and issuing site accountability report cards as required by law. He/she shall also annually publicize the issuance of the SARCs and notify parents/guardians that a paper copy will be provided upon request. On or before February 1 of each year, the Superintendent or designee shall make the SARCs available in paper copy and on the Districts' website. (Education Code 35256)
