COMMUNITY RELATIONS

VISITORS/PUBLIC ATTENDANCE AT DISTRICT EVENTS

PURPOSE: To establish procedures for school visitors and public attendance at District events.

The Board welcomes and encourages visits to District school campuses and sites by parents, other adult residents of the community, and interested educators. However, for the educational program to continue undisturbed when visitors are present, and to prevent the intrusion of disruptive persons into the schools, it is necessary to invoke visitor controls. The Superintendent, therefore, shall establish regulations that will protect pupils and employees of the District from disruption to the educational program or the efficient conduct of their assigned tasks.

Any person who is not a student or staff member shall register immediately upon entering any school building or grounds when school is in session.

Except as permitted by law, no electronic listening or recording device may be used by any person in a classroom without the teacher's and principal's permission. (Education Code 51512)

In accordance with Penal Code section 626.7, the principal or designee may request that any individual who is causing a disruption, including but not limited to, exhibiting volatile, hostile, aggressive, or offensive behavior, immediately leave school grounds.

Any person who is required to register as a sex offender pursuant to Penal Code section 290, including a parent/guardian of a District student, shall request written permission from the principal before entering the school campus or grounds. As necessary, the principal shall consult with local law enforcement authorities before allowing the presence of any such person at school or other school activity. The principal also shall report to the Superintendent or designee anytime he/she gives such written permission. The principal shall indicate on the written permission the date(s) and times for which permission has been granted. (Penal Code 626.81)

Public Attendance at District Events

The Board declares as follows:

1. **On-Site Public Events:** Any person attending a public event at District facilities and hosted by a school and/or District administration shall comply with District policies, including but not limited to, the Civility Policy (Board Policy No. 1250.1).
