PURPOSE: To establish standards for advertisements and promotions by non-school groups in school-sponsored publications, on District and school web sites and social media, and on school facilities and grounds.

The Board establishes this policy to set standards for advertisements and promotions by non-school groups in school-sponsored publications, on District and school web sites and social media, and on school facilities and grounds.

The Board desires to promote positive relationships between District schools and the community to enhance community partnerships, support, and involvement in the schools. The Superintendent or designee may, consistent with the criteria established in this policy, approve:

1. Distribution of noncommercial materials that publicize services, special events, public meetings, or other gatherings of interest to students or parents/guardians.
2. Distribution of promotional materials of a commercial nature to students or parents/guardians.
3. Paid advertisements on District property, including, but not limited to, advertisements on school buildings, athletic fields, scoreboards, and billboards. Any signs containing the advertisements shall comply with the requirements of the District's board policies, including but not limited to, Board Policy No. 3517 – Maintenance of District Facilities and Grounds/Facilities Inspection.
4. Paid advertisements in school-sponsored publications, yearbooks, announcements, and other school communications, including web sites and social media.
5. Products and materials donated by commercial enterprises for educational use, including those that bear the name and/or logo of the donor, as long as they do not unduly promote the donor or any commercial activity or product.

Prior to the distribution, posting, or publishing of any non-school group's promotional materials or advertisement, the Superintendent, principal, or designee shall review the materials or advertisement based on the criteria listed below. He/she may not disapprove materials or advertisement in an arbitrary or capricious manner or in a way that discriminates against a particular viewpoint on a subject that is otherwise allowed by board policy.

All materials to be distributed shall bear the name and contact information of the sponsoring entity.

As necessary, the Superintendent, principal, or designee shall require a disclaimer on any non-school group's promotional materials to be distributed, posted, or published, stating that the
