SCHOOL DISTRICT****COMMUNITY RELATIONS
RELATIONS WITH OTHER GOVERNMENTAL AGENCIES**

PURPOSE: To address relations and collaboration with other governmental agencies.

The Board believes that District efforts to provide a high-quality education for students in the community can be enhanced by collaboration with other government and public agencies that are responsible for the health, safety, and well-being of children and youth. The District is committed to maintaining good working relationships with representatives of state and local agencies to maximize student and family access to support services that will help students achieve to their highest potential.

The Board may initiate or participate in collaborative relationships with city and county elected officials to design and coordinate multi-agency programs that respond to the needs of children and families and provide more efficient use of District and community resources.

The Superintendent and appropriate staff shall cooperate with government and public agencies in the planning and implementation of joint projects or activities within the community.

The Board shall approve the services to be offered by the District, the resources that will be allocated to support collaboration, any use of school facilities for services, and any development or joint use of facilities with other jurisdictions. All agreements with other agencies to coordinate services or share resources shall be in writing. The Board may establish joint powers agreements or memorandums of understanding, when feasible, to formalize the responsibilities and liabilities of all parties in a collaborative activity.
