
CLOVIS UNIFIED SCHOOL DISTRICT

COMMUNITY RELATIONS RELATIONS WITH COMMUNITY AND PRIVATE INDUSTRY

PURPOSE: To address relations and collaboration with the community and private industry.

The Board encourages program development and communication mutually beneficial between the public schools of the District and community, industry, business, and other institutions. The Board also encourages these institutions to be involved in efforts to support the District's core mission and goals and students.

The Board encourages, for its secondary education students, cooperative training programs with its community partners described above. Any programs which develop from community cooperative efforts require Board approval prior to implementation.

In developing community partnerships and educational training programs in the community, the Superintendent or designee shall be guided by the following principles:

1. Students shall not be used to promote private or commercial interests;
2. Students shall not be used for direct sales promotion of goods or services;
3. Students shall not be assigned outside tasks which do not benefit the student primarily; and
4. Students shall not engage in school/business partnerships that are in violation of any existing board policy or applicable law.
