DISTRICT POLICE/SECURITY DEPARTMENT

PURPOSE: To set forth provisions regarding the District's police/security department.

The Board shall maintain a District police and/or security department. The District has established and is maintaining a police department.

Duties of District police officers or security officers shall be delineated in a job description developed by the Superintendent or designee.

Police Department

Persons employed as members of the District police department, when appointed and duly sworn, are peace officers for the purposes of carrying out their duties pursuant to Penal Code 830.32. (Education Code 38001)

The Board expects District police or security officers to cooperate and regularly communicate with local law enforcement agencies, and to work collaboratively with other District staff and community members to develop long-term, proactive approaches that address the conditions affecting school safety.

Security Department

Persons employed or assigned as school security officers shall serve as watchpersons, security guards, or patrolpersons on or about District premises to protect persons or property, prevent the theft or unlawful taking of District property, or report unlawful activity to the District and local law enforcement agencies. (Education Code 38001.5)

When District security officers are unable to perform their duties because of an emergency, including, but not be limited to, war, epidemic, fire, flood or work stoppage, or when the emergency necessitates additional security services, the Board may contract with a private licensed security agency. In such cases, the Board shall make a specific finding that an emergency exists and shall include this finding in the Board minutes. (Education Code 38005)

Firearms

The Board authorizes District police or security officers to carry firearms in accordance with law, Board policy, and administrative regulations.
