PURPOSE: To address the shared responsibilities of the District and parents/guardians for the well-being of students in the District.

The Board recognizes that parents/guardians of District students have certain rights as well as responsibilities related to the education of their children.

The mission of the District, in partnership with parents/guardians and the District community, is to graduate high school students who will have the knowledge, skills, experience, and attitudes necessary to participate in and contribute to our democratic society.

The Board believes that the education of the District's students is a shared responsibility. Within this framework, the school's primary responsibility shall be to provide a high-quality curriculum and instructional program in a supportive and effective learning environment that enables all students to meet the academic expectations of the school.

Parents/guardians shall have the opportunity to work with schools in a mutually supportive and respectful partnership and to help their children succeed in school. (Education Code 51100)
