REQUEST FOR ATHLETIC ELIGIBILITY (Grades 7-12 only): Yes No

PARENT CERTIFICATION:

I, the above-named parent/guardian, understand that by signing this acceptance the above-mentioned student will attend the approved open enrollment school in the fall. I further understand that once this acceptance is turned into the approved school, my child will become a resident of the approved school and attend that school and its Board-approved designated secondary schools. Open enrollment transfers remain in effect through the student's 12th grade year, until the student's home residence changes, or any of the other circumstances described in Board Policy No. 5116.1.

I further understand that it is my responsibility to provide transportation to and from school. If I would like to use the District's transportation when available, there will be a fee. The District's Transportation Department can be contacted at 327-9701 for additional information.

I further understand that athletic eligibility for students entering grades 7-12 who have accepted a transfer for the first time will be determined in accordance with Board Policy and Administrative Regulation No. 6145 – Co-Curricular and Extra-Curricular. Authorization or approval by the District of an open enrollment transfer of students entering grades 7-12 does not result in the student obtaining eligibility for District interscholastic athletics. Please refer to Board Policy and Administrative Regulation No. 6145 regarding the limits to and the requirements for obtaining athletic eligibility upon the granting of an Open Enrollment Transfer. Athletes awaiting appeal decisions cannot participate in any athletic activity unless the parent/guardian has signed the "To Practice Release" form. If the athlete is deemed ineligible, the athlete is to stop practice and turn in his/her athletic gear.

I acknowledge that eligibility under the Sibling Rule (Board Policy No. 5116) is available only after a change to school attendance boundaries.
