IMMUNIZATIONS

PURPOSE: To comply with applicable laws regarding immunizations of students.

The Board recognizes its responsibility to see that all students enrolled in District schools are adequately immunized in accordance with applicable laws. The Board also recognizes that the implementation of immunizations of students is a joint collaborative effort of parents, school personnel, physicians, the public health department, and community resources.

The Board authorizes the Superintendent to develop and adopt an administrative regulation setting forth procedures to meet requirements for immunizations in accordance with applicable laws.
