**GUIDANCE/COUNSELING SERVICES**

**PURPOSE:** To define the counseling services available to all District students.

The Board recognizes that a structured, coherent, and comprehensive counseling program promotes academic achievement and serves the diverse needs of all District students. Counseling staff shall be available to review individual student's progress towards academic and/or career goals, and, as appropriate, may discuss social, personal, or other issues that may impact student learning.

The Board directs the Superintendent to adopt an administrative regulation setting forth a structured, coherent, and comprehensive counseling program for District students that includes academic and career counseling, and mental health.
