PURPOSE: To establish procedures for developing the Local Educational Agency Plan (LEAP).

The Board shall cause the development, periodic review, and, as necessary, updates of the Local Educational Agency Plan (LEAP) as required by the Every Student Succeeds Act (ESSA) of 2015. The LEAP shall be prepared using the federal LCAP Addendum template provided by the California Department of Education (or another document as appropriate), approved by the State educational agency and shall be coordinated with other programs including the Individuals with Disabilities Education Act, the Carl D. Perkins Vocational and Technical Education Act of 1998, the McKinney-Vento Homeless Assistance Act, and other Acts, as appropriate.

The approval of a LEAP by the Board and State Board of Education is required for receiving federal funding subgrants for ESSA programs, and shall remain in effect for the duration of the District's participation in those programs. The LEAP includes specific descriptions and assurances as outlined in ESSA and shall include the elements as described in Administration Regulation No. 6171.10. The LEAP describes actions the District will take to ensure programmatic requirements, including student academic services designed to increase student achievement and performance, coordination of services, needs assessments, consultations, school choice, supplemental services, services to homeless students, and others as required are met. In addition, the LEAP summarizes assessment data, school goals, and activities from the School Plan for Student Achievement (SPSA) developed by the District's schools.
