WORK EXPERIENCE EDUCATION

PURPOSE: To establish a Work Experience Education program.

The Board desires to facilitate work-based learning opportunities which link classroom learning with real-world experiences. The District's work-based learning program shall be designed to teach students the skills, attitudes, and knowledge necessary for successful employment and to reinforce mastery of both academic and career technical education (CTE) standards.

The Board supports and approves the establishment of General Work Experience, the Secondary District Plan and Application for Work Experience Education (WEE) Program, and the compliance and evaluation of the WEE program.

The Board directs the Superintendent to adopt an administrative regulation for the implementation of the program.
