## CLOVIS UNIFIED SCHOOL DISTRICT

### FACILITIES

#### Planning

### ARCHITECTURAL AND ENGINEERING SERVICES

**PURPOSE:** To set forth the requirements and process for selection of architectural and engineering services.

In order to ensure safe construction and protect the investment of public funds, the Board requires that a certified architect or structural engineer be engaged to design and supervise the construction of District schools and other facilities. (Education Code 17302)

The Superintendent or designee shall utilize a fair and competitive process for the selection of architects and structural engineers that is based on demonstrated competence and on the professional qualifications necessary for the satisfactory performance of the services required. (Government Code 4526) For each project, the Superintendent or designee shall recommend specific architectural and/or engineering firm(s) to the Board. Architectural and engineering services shall be provided to the District at fair and reasonable prices. (Education Code 4526) The Board need not select the lowest responsible bidder.
