PURPOSE: To describe the procedures for conducting meetings of the Board.

A. Meeting Procedures

All Board meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance with the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

The Board president shall conduct Board meetings in accordance with Board bylaws and procedures that enable the Board to efficiently consider issues and carry out the will of the majority. Robert’s Rules of Order, Newly Revised, shall govern the Board in its deliberations in all cases in which it is consistent with California law and/or Board bylaws. By a majority vote, the Board may use other procedures to consider any item during a Board meeting.

B. Quorum and Abstentions

The Board shall act by majority vote of all of the membership constituting the Board. (Education Code 35164)

Provided the Board typically has seven members and there are no more than two vacancies on the Board, the vacant position(s) shall not be counted for purposes of determining how many members of the Board constitute a majority. In addition, whenever any provisions of the Education Code require unanimous action of all or a specific number of the members, the vacant position(s) shall not be counted for purposes of determining the total membership constituting the Board. (Education Code 35165)

C. Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. Persons attending Board meetings shall not be required to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending any Board meetings.

Except as authorized by law, all meetings of the Board shall be open to the public. All actions of the Board shall be taken openly unless otherwise provided in law. The public is invited to attend Board meetings and will be given an opportunity to provide public comments.

To conduct District business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board on any
item of interest to the public that is within the subject matter jurisdiction of the Board, either before or during the Board's consideration of the item. (Education Code 35145.5; Government Code 54954.3)

2. During the Public Presentation portion of the Board agenda, members of the public may bring before the Board matters that are not listed on the agenda. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law. (Education Code 35145.5; Government Code 54954.2) Nothing herein shall limit discussion or action on such subject matter at a subsequent Board meeting.

3. Without taking action, Board members or District staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, Board members or staff members may ask a question for clarification, make a brief announcement, or make a brief report on their own activities. (Government Code 54954.2) Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard the item, the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)

5. A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits. Except as allowed by law, members of the public must be physically present at the Board meeting to address the Board.

In general, individual speakers will be allowed up to three minutes to address the Board on each agenda or non-agenda item, and the Board president may limit the total time for public input. However, when necessary to ensure full opportunity for public input, the Board president may adjust the amount of time allowed for public input and/or the time allotted for each speaker. The president may ask members of the public with the same viewpoint to select a one or more individuals to address the Board on behalf of that viewpoint.

To ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. (Government Code 54954.3)
6. The Board president may rule on the appropriateness of a topic, subject to the following conditions:

   a. If a topic would be suitably addressed at a later time, the Board president may indicate the time and place when it should be presented.

   b. The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts, or omissions. (Government Code 54954.3)

   c. The Board shall not prohibit public criticism of District employees. However, whenever a member of the public initiates specific complaints or charges against an individual employee, the Board president shall inform the complainant of the appropriate complaint procedure or direct the individual to the Superintendent or other appropriate District employees.

7. The Board president shall not permit any disturbance or willful interruption of Board meetings. Persistent disruption by an individual or group or any conduct or statements that threaten the safety of any person(s) at the meeting shall be grounds for the president to terminate the privilege of addressing the Board.

   The Board may remove disruptive individuals and order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

   When such disruptive conduct occurs, the Superintendent or designee may contact local law enforcement as necessary.

D. Recording by the Public

Members of the public may record an open Board meeting using an audio or video recorder, still or motion picture camera, cell phone, or other device, provided that the noise, illumination, or obstruction of view does not persistently disrupt the meeting. The Superintendent or designee may designate locations from which members of the public may make such recordings without causing a distraction.

If the Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)
